How to Play

Word Search

Find every word from the list in the grid. Words run in straight lines and may go across, down or diagonally (in harder puzzles also backwards). Circle each word.

Sudoku

Fill every empty square so that each row, each column and each outlined box contains every number exactly once. Each puzzle has exactly one solution.

Maze

Start at START and find the only path to FINISH without crossing any wall.

Cryptogram

Each letter of the message has been swapped for a different letter. Work out the code to reveal the quote. Some letters are given to get you started.

Word Scramble

Unscramble the letters to make a word that fits the theme. Every scramble has exactly one answer.

Crossword

Fit every word from the list into the grid so that all crossing letters match.
